

Terms and conditions for competition

The Promoter of this competition is GS Yuasa Nordic with registered office at Sjöåkravägen 28, 564 31, Sweden.

No purchase is necessary to enter the competition, which will be run across GS Yuasa Battery Europe's various European based social media accounts. Platforms vary depending on country and territory.

At the end of the competition all entries regardless of country or channel will be placed into a single draw from which the three winners will be drawn at random.

Entrants must follow the relevant GS Yuasa social media accounts and comment on their favourite prize. We also encourage the sharing and reposting of the pinned competition post. One follow and comment on each channel results in one entry.

The prize for this competition is one Marc Marquez-signed wall art picture by renowned photographer Miquel Liso, one Marc Marquez-signed HRC kimono and a racing boot signed by Pol Espargaró. There will be three winners each winning one prize.

The competition closes on 16 November 2023 at 11:59 am GMT. The three winners will be notified through social media on 17 November. Winners must claim their prize before 23 November or else an alternative winner will be drawn.

Entry is open to residents of the EU and UK, aged 18 years and over.

No cash alternative is available for the prize, and the Promoter reserves the right to substitute the prize with a prize of equal or greater value. The Promoter's decision is final.

The winner agrees to take part in any publicity connected to the prize draw, including interviews, photographs, videos, as well as social media and promotion by the Promoter.

By entering the competition, participants agree to be bound by these terms and conditions.

The competition is in no way sponsored, endorsed, or administered by, or associated with, any social media platform, HRC, Repsol Honda or MotoGP.

The Promoter reserves the right to cancel or amend the competition and these terms and conditions without notice in the event of unforeseen circumstances or any other reason outside of the Promoter's control.

The personal information provided by entrants will be used in accordance with the Promoter's Privacy Policy.
